Each applicant shall, upon being requested to do so by the Cooperative, execute and deliver at no cost to the Cooperative additional grants of easement or right-of-way over, on and under any lands owned, leased by or mortgaged to the member, as the Cooperative shall require for the furnishing of electric service to him/her or other members, for the construction, operation, maintenance or relocation of the Cooperative's electric facilities or for vegetation management as provided herein.
8. Applicant must provide Cooperative with access to all meter(s) on property. Applicant must not enclose meter(s) or block access to meter(s) with buildings, shrubbery, vehicles, fences or other obstacles that would prohibit the Cooperative from accessing the meter(s).
9. If this Application is submitted in electronic form of accordance with procedures established by the Cooperative, when electronically submitted and accepted by the Cooperative, it shall have the same force and effect as if manually completed and signed by Applicant.
10.
